WORK EXPERIENCE

CelerData

May 2022 – Nov. 2025

Head of Marketing (Founding Marketer)

Menlo Park, CA

- Led cross-functional collaboration with sales to expand the marketing funnel and built a repeatable growth engine that converted open-source users into opportunities, generating over \$16M in new pipeline and \$2M closed-won ARR within the first year.
- Created end-to-end product marketing strategy and oversaw the successful launch of CelerData's Cloud B2B SaaS offering and two major product launches for CelerData's open source project StarRocks.
- Collaborated with product leadership to align product roadmap with GTM execution and owned coordination between sales, product, and marketing for positioning, competitive analysis, AR/PR, and content creation.
- Established GTM partner strategy that resulted in dozens of new co-marketing activities and product integrations with industry peers and OSS projects, increased brand awareness and delivered >3,000 new leads.
- Drove the adoption of AI marketing technologies for content creation that grew organic traffic KPIs by 4x and established a new source of content-based lead generation.
- Built webinar strategy with product marketing and sales to 2x webinar contributions to 500+ quarterly MQLs.
- Grew team from 1 to 5 members, and mentored direct reports to excel in product marketing, digital marketing, SEM, funnel optimization, SEO/AEO, experimentation, content creation, and demand generation.
- Oversaw the creation and execution of the company's entire go-to-market strategy including allocation of a \$2M budget, headcount management, campaign development, performance analytics, and reporting to CEO/COO.
- Launched CelerData's inaugural global technology summit event, generating over 2,000 leads, 700 live attendees, and 24 speaking sessions from Fortune 500 companies and partners.

Tradewing

Aug. 2020 – May 2022

Head of Marketing (Founding Marketer)

San Francisco, CA

- Headed partnership with sales and customer success leadership to onboard and integrate HubSpot and Salesforce CRMs into a single-source-of-truth that accelerated time to first contact from hours to minutes and improved response times for high-priority clients.
- Developed and implemented an email and LinkedIn-driven GTM strategy that successfully grew marketing-sourced pipeline to over \$1M and closed ARR from zero to several hundred thousand in less than 12 months.

Kyligence

Dec. 2018 – Aug. 2020

Head of Marketing (Founding Marketer)

San Jose, CA

- Oversaw digital-first GTM strategy, relaunched company website, and redesigned digital advertising, SEO, and content for lead generation – growing top-of-funnel traffic by 20% and quarterly lead generation by 72%.
- Rolled out webinar-led demand generation strategy in response to COVID lockdowns that exceeded previous monthly marketing-sourced pipeline generation by a factor of nearly 2x in less than six months.

Quartzly

Dec. 2017 – Dec. 2018

Sr. Product Marketing Manager and Head of PR (First Product Marketing Hire)

Palo Alto, CA

- Set marketing strategy and positioning for the company's ICP, and conducted customer interviews and market research to craft actionable user personas and sales education materials that allowed the company to shift 50% of the user base towards an ICP with a higher CLV in under 12 months.
- Managed agency relationship for business's PR firm, providing strategic direction, messaging, and written copy that resulted in 3 feature articles, 3 bylines, and 32 press mentions in under 6 months.
- Launched new customer use case initiative through customer interviews and case study creation that resulted in the development of a new voice of the customer subpage that drove a 64% increase in website-driven demo requests.

Netscout

Apr. 2017 – Dec. 2017

Product Marketing and Demand Generation Manager

San Jose, CA

- Oversaw the business unit's content vendor relationships and systematized messaging communication, feedback, and production tracking process that revealed deficiencies that I corrected to improve average deliverable turnaround time by two weeks.
- Designed partner evaluation rubric and implemented new metrics tracking initiatives to improve CAC, CPL, MQL generation, and SQL conversions that resulted in a 20% reduction in cost-per-lead and improved MQL satisfaction from sales.

Gojurn

Oct. 2015 – Apr. 2017

Head of Product and Marketing (Co-Founder)

Millbrae, CA

- Structured the business model and GTM plan for early-stage SaaS company and set pricing strategy for SMB and enterprise software products and services that enabled the business's initial traction.
- Owned customer and market research and conducted dozens of in-person customer/ICP interviews and designed and executed against a competitive analysis framework to craft product positioning, messaging creation, product launch strategy, requirements documents, and design mockups leveraged by engineering, design, sales, and company CEO and CTO.

Cisco Systems

Jun. 2013 – Oct. 2015

Marketing Specialist

San Jose, CA

- Led monthly global content performance analytics analysis and presentations for Cisco GTM managers, directors, VPs, and CMO that included marketing attribution and full-funnel analysis of digital content's impact on CPL, pipeline, and revenue used in vendor partnership decisions and digital campaign optimization.

EDUCATION

University of California Berkeley - Haas School of Business

May 2013

Bachelor of Science - Business Administration

Berkeley, CA
